

Metro St. Louis Seniors Golf Association

We are one of the largest senior golf groups in the bi-state area with 700+ members and growing.

We are a handicapped league and maintain everyone's handicap index as part of your membership. **(No GHIN handicap necessary)**

We have 6 Divisions one of which is 9 hole and the remaining are 18 hole, giving you the option to play just the right amount of Golf with new friends.

The only catch is you must be 55 before our season starts in April

Your Golf Stats are maintained weekly and available to you 24/7 on the web.

Our annual membership is only \$60.00

It includes your opportunity to play in 25 different tournaments at 25 different courses in the metro area this year at a savings.

You receive a discount card, good for savings on green fees at most courses

You receive a handicap maintained through out the year.

And prize money which accumulates weekly and is paid annually.
