

IT'S TIME TO REFLECT ON OUR HERITAGE

In 2012, some six years ago, I thought it only appropriate that we should pay tribute to our founder "Lou Luketich" who was responsible for organizing in 1973, what is now our current golf organization.

His motto which we still follow was dedicated to "bring good golf and good fellowship to all local golfers".

I organized a golf tournament and dedication ceremony in August 2012 at Riverside Golf Course which was our original home course for the Metro seniors. We dedicated a bronze plaque which stands behind the 18th hole adjunct to the putting green. Walter Wolfner was responsible for assisting us in this ceremony and upkeep on this plaque yet today.

Riverside is the home course for Division 9, the Metro Seniors 9 hole league. Division 9 plays weekly starting in March into November. Any member of Division 1 through 5 may join and play in Division 9

Each week, about 50+ members show up to play in the 9 hole tournaments. Rates are low, and extending to 18 holes is exceptionally cheap.

Playing with Division 9 on Wednesday mornings is fun, inexpensive and fast (9 holes). Plus it continues to support the course that helped Metro Seniors get started.
