Introduction

This GolfLeague user manual is focused to the basic needs of members of Metro St. Louis Seniors Golf Association (MS). MS decided to discontinue use of Ourgolfstats at the end of the 2021 golf season. All MS Divisions started using GolfLeague.us in March of 2022. After you gain a level of comfort with GolfLeague fundamentals in this primer, members are encouraged to explore additional menu items of the software. There are many reports that are quite interesting and will enhance your enjoyment in playing our favorite sport.

- Each MS division and the Metro Plus (MP) division is a separate league in GolfLeague. A different username and password are required for each division for which you are a member. Upon login, members will have access only to the tournaments, members, and results within their specific division.
- Additionally, on the screen you may see references to a premium version of the app. This user manual is based on the free basic version and may be all that MS members need for routine information sharing regarding MS and MP tournaments.

- There exists another version of the manual for GolfLeague 'Administrators'. They are the Division VP's and Metro Plus Tournament Directors.

On the GolfLeague website, members will often see a reference to 'points'. For MS use of GolfLeague, points are tournament prize winnngs; that is, 100 points equal \$1.00; 1000 points is \$10. MS leadership agreed to this compromise to save the cost for reprogramming the standard GolfLeague package.

As shown on the cover page of this document, the GolfLeague home page has a row of blue user buttons across the top of the page entitled the Top Bar, and another column of buttons on the left side, the Side Navigation Bar. These grouping of buttons are operational click-points for member access to more detailed menus and information. Feel free to explore and decide which are more to your liking. GolfLeague software has been in use for more than a decade; it would be difficult to break it!

THE TOP BAR	
	is designed to give quick access to frequently used programs lay "Help" files.
THE SIDE NAV	GATION BAR
side bar co categories	av bar is designed to open categories of similar programs. The ntains almost all the programs in GolfLeague™ arranged in To access any category, you simply click the category to ope te it and then select a program.

Member Rules of Play

As a MS member you should become familiar with the rules of play, including both USGA rules and a few customized rules that have been adopted by MS to enhance golfing for senior players.

- USGA Rules can be found on their website: click here: USGA Rules of Golf
- MS Rules, including Metro Plus, can reviewed in the MS Policies and Procedures document located on the association website: <u>MS Policies and Procedures</u>. Additional information is available at: <u>MS Rules of Play</u>.

Login to the GolfLeague website

After you submit your renewal or new member application and pay the required yearly fee, the MS membership committee adds your name and contact information to the GL

database. For new members, you will then receive email confirmation from GolfLeague that you should soon login to GolfLeague with the link provided.

How many strokes will I have to give up to 'play it forward'?

Some members always play the forward tee option, others play Senior Tees, while some big guns always play the back tees. Most MS members want to consider distance and strokes before deciding. Here's how: Select Handicaps, then My Course Handicap, as shown here:

Entering Scores

Please pay attention to instructions from your division VP or MP Tournament Director regarding procedures for entry of scores for your playing group.

 After your group has checked the math, the division VP or MP Tournament Director or their designee will collect your course scorecard and/or Universal Scorecard for data entry by others. This process is identical to what has been practiced in previous years. - In the future, members may be requested to enter playing group scores via an existing smartphone GolfLeague scoring portal at the course before leaving.

Checking Tournament Results

Click on the Scores and Points Button, then Score Detail, then select scores just for yourself over a selected date period or, for every player at a specific tournament, as shown below:

To see the prize results for a specific tournament, select Score & Points, then click on <u>Points</u>. These winnings are accumulated and paid to MS members at the end of the season.

Remember that GolfLeague calculates and tracks 'points', and to Metro Seniors, these are cents (100 points = \$1.00 and 1000 points = \$10.00).

If you had a great par 3 tee shot and put your name on a course CTTP marker, congrats! Later in the day, you may want to check to see if it held up: click on <u>Points</u> as shown above and look for your flight and name. If there are 500 extra points showing, you are a \$5.00 winner!
