

Special Events 2025

Tees

All players play from the same tee boxes.

Tournament Sign ups

All players can sign up on the Metro Seniors website to register for the tournament they wish to play in. Check the tournament spreadsheet to determine when you need to sign up. When signing up for a specific tournament the system will assign you a time when you signed up. If you are playing as a team and one person doesn't sign up the entire team at once each member will be assigned a different sign up time. If your members don't sign up at the same time as some of your members can be put on the waitlist. They can't play with you until they clear the waitlist. Do not sign up on GLUS.

Payments

When signing up on the Metro Seniors website your payment will be processed through PayPal. You don't need a PayPal account to sign up for these tournaments. You may sign up as a guest in PayPal.

Refunds

If for some reason you need to cancel you must notify the Tournament Leaders for that event 96 hours prior to the tournament start time. We are required to finalize the numbers of golfers/meals 96 hours in advance to the tournament as outlined by our contract with the course. The refund will be credited back to the individual whom paid for the event. It will take 4 weeks to process the refund.

Pace of Play

Keep the group in front of you with site. If you can't see them then your group is playing too slow! Be respectful and don't be the group that is holding up the whole course. When you have finished your round head directly to the club house to get your assigned finish time. The Tournament leaders will assign you your finish times. All group finish times will be published after the tournament is completed.
